ZE [REDACTED]

Dat was heel zinvol ☺ Dank voor je inzet.

Betreft de enquetevragen:

We willen zeker weten waarom bedrijven zich hier vestigen of niet.

Ik denk dat het zinvol is dit allereerst met THBA te bespreken. Die hebben de contacten met de bedrijven op dat niveau, wij met hr dus een andere rol.

Voor mijn gevoel zijn de USP's voor de (toekomstige) Internationale bewoners van Den Haag per profiel weer anders. Voor ons is het ook nog zoeken hierin. Een gezin heeft andere wensen dan een professional die alleen of met partner komt. Dan speelt de achtergrond (cultuur) een grote factor en heeft de werkgever ook nog invloed. Dan hebben we ook nog de student (die blijft), de invloed van de partner, etc. Dit vastleggen in een paar vragen is voor mij dus lastig.

Voor THIC: De doelgroepen die hier wonen moeten naar mijn mening antwoord geven op deze vragen waar we echt iets mee kunnen. Hiervoor hebben we echt eerst een website etc nodig.

Voor Business: De bedrijven die besluiten om zich niet te vestigen kunnen gevraagd worden waar niet.

Bovenstaande is wel van belang om met de partijen ook daadwerkelijk vast te leggen.

Heb je hier iets aan?

Thanks, goede suggestie! Eigenlijk zouden we dan ook wel willen weten waarom ja of nee...

Bijvoorbeeld: als de meesten het te ver van de financiële instellingen in Amsterdam vinden dan zouden we in presentaties meer kunnen benadrukken wat de reisafstand en de verbindingen zijn etc. Kan je die misschien aanvullen, multiple choice? Denk vooral: wat vragen jullie je bij het THIC nou echt af? Waar zou je meer feiten over willen weten, ten aanzien van vestigingsfactoren. (Bijv: is de Internationale School nou echt zo'n selling point etc)

Overigens: als jullie je niets hierover afvragen omdat jullie deze data bijvoorbeeld al hebben dan is dat ook prima. Ik ga er nu van uit dat we dit niet precies weten en dat het een mooie kans is om een grof actueel beeld te krijgen, als input voor presentaties en beleid enzo.

Als je daar nog iets op kan aanvullen dan zet ik het in het concept van de vragenlijst die ik rond ga sturen.

Groeten,

Hi all,

Alvast even een snelle actie nav vanmorgen. Ik vind de mogelijkheid om wat enquetevragen toe te voegen wel heel interessant. Een echte quick win. Daarom aan jullie de vraag: mail mij even welke vragen je zou willen stellen aan de deelnemers aan de EPS.

Is bijvoorbeeld een interessante vraag:

- Bent u bekend met PRIME arbitrage?
 - o Overweegt u de PRIME arbitrage clause in uw contracten op te nemen?

En [REDACTED] misschien:

- Zou u in Den Haag willen wonen en werken? Deze vraag heeft in dit geval (de vragen worden gesteld aan CEO's) denk ik geen zin als het bedrijf zich niet vestigt in Den Haag. Dus ik zou het meer op Business richten.
Suggestie:

Den Haag is een aantrekkelijke stad voor Internationale organisatie en hun medewerkers. Denk hierbij aan: (per congres aanpassen) Key sectors: IT & Telecom, Finance and Legal, Peace and Justice, Energy & Renewables, and Security etc etc. Hierin kan natuurlijk wel worden meegenomen wat Den Haag nog meer te bieden heeft zoals Stad aan zee. Persoonlijk zou ik dit in de vorm van een ondersteunend beeld doen.

Zou Den Haag voor uw bedrijf een goede vestigingsplaats zijn? Ja/ Nee

Ja; (per congres aanpassen) Key sectors: IT & Telecom, Finance and Legal, Peace and Justice, Energy & Renewables, and Security etc etc.

Heeft u interesse om hierover in contact te komen met The Hague Business? Invoeren emailadres en doorsturen.

Ik verzamel jullie vragen dan en zet ze op een rij. Ook stem ik af met [REDACTED] (of er geen vragen dubbel zijn etc). Daarna koppel ik nog terug naar jullie voordat we ze definitief vaststellen.

Beste ZE ZE

EMA komt naar Amsterdam. In verband met Europese school hier komt waarschijnlijk een groot deel in Den Haag/Wassenaar terecht. Dit gaat dan om de verhuizing van honderden families in een vrij korte periode.
Vanuit gemeente Amsterdam is er een relocator (Expat Help) aangesteld die begeleiding geeft aan EMA medewerkers. Deze zal ook de huisvesting moeten gaan regelen.
De aantallen zijn dergelijk groot voor een korte periode, dat hiervoor moet worden samengewerkt met veel ontwikkelaars en makelaars in de gehele Randstad.

Via een evenement willen we zoveel mogelijk ontwikkelaars en expat makelaars aan de relocator koppelen. Dit evenement willen we eind april organiseren.

De relocator zal op dit evenement toelichting geven welke vraag er is naar woningen vanuit Den Haag/Wassenaar (prijsklasse, aantallen, gebieden).

Hiervoor ben ik op zoek naar ontwikkelaars, makelaars en contactpersonen daarbij om uit te kunnen nodigen.
Eerder heb ik van ZE een lijstje gekregen van o.a. ZE

Kennen jullie nog andere ontwikkelaars/makelaars die we hierbij moeten betrekken? Of mensen die ons hierbij verder kunnen helpen? Hulp wordt erg gewaardeerd.

Goede opzet! Een paar opmerkingen/vragen:

- er 'moet' ook ergens terug komen: We are happy to help you, vind ik. Blijft een mooie uitnodigende en laagdrempelige uitnodiging/zin en past bij THIC 2.0.
- we moeten goed nadenken hoe we met de top 5 omgaan: zijn allemaal gemeentelijke producten en direct doorlinken is niet wenselijk. Zou mooi zijn om een service toe te voegen die echt over het THIC gaat en niet over een gemeentelijk product. Concreet voorbeeld schiet me even niet te binnen nu, maar de top 5 hoeft feitelijk niet volledig te kloppen, als je begrijpt wat ik daarmee bedoel.
- dacht dat we agenda niet in de 1e fase zouden doen, omdat deze dan leeg zou zijn. Of wil je hier alleen WTTH melden? En/of stem je dat met [REDACTED]/marketing?
- bij route/adres ook openbaarvervoer opnemen, en parkeergarages.
- afspraak maken graag door [REDACTED] laten checken
- zakelijke omgeving: bedoel je met klant worden referent? En andere bedrijven waar we onze service aan willen bieden die geen referent zijn?
- verwijzing naar THBA?
- informatie is heel breed en in sommige gevallen dubbel opgenomen. Daar moeten we goed naar (laten) kijken. Wellicht in de sessie die Incentro voorstelde. Of door [REDACTED] ;-)
- mis de gemeenten (pagina's) waar we voor werken, of lees ik daar overheen?
- kopje 'About The Hague International Centre' toevoegen, met onze missie, visie en ambitie en de partners/services. Ook daar al onze namen van medewerkers noemen. Later eventueel foto's toevoegen. Wenselijk om dit in de eerste fase op te nemen.
- in sommige gevallen lees ik vooral iets terug over internationale bedrijven als in bedrijven van THBA/BIZ. Maar we bedienen natuurlijk ook de bedrijven van Economie. Maar dat is vooral uitwerking denk ik, in de hoofdlijn zal je dat ook bedoelen verwacht ik.

ZE [REDACTED]

Dank voor je mail.

Mooi, jullie pakken lekker door! Goed om te zien.

Dinsdag gaan ZE [REDACTED] en ik zitten om een globale indicatie te maken, zoals besproken. Dat is stap 1. De informatie die ZE [REDACTED] vandaag stuurt helpt ons hierbij.

Deze indicatie zullen wij dan opsturen zoals besproken. Stap 2 is dat jullie deze kort doornemen en ons feedback geven. Stap 3 is dat we een kickoff inplannen.

Binnen de eerste indicatie die we volgende week afgegeven gaan we uiteraard slim nadenken over het gebruik van huidige componenten.

Lean and mean.

[REDACTED]

2018-03-29 12:42 GMT+02:00 [REDACTED] <[REDACTED]@denhaag.nl>:

Hallo allen,

Bedankt voor het overleg afgelopen dinsdag.

Ik heb zojuist [REDACTED] nog even gesproken over de kick-off sessie en wij denken dat het niet nodig is om hier een (halve) dag voor te nemen, een paar uurtjes lijkt ons voldoende. Qua inhoud heeft met name [REDACTED] al een hoop voorwerk gedaan, en zij hebben al een goed beeld van wat het moet gaan worden. Daarnaast verwachten we dat we een groot deel van de functionaliteiten en templates kunnen hergebruiken van denhaag.nl, uiteraard wel in de huisstijl van THIC. We zouden het traject graag zo klein, en praktisch mogelijk houden, zonder dat we teveel tijd en/of geld moeten investeren. Zoals [REDACTED] al aangaf is er een zeer beperkt budget.

Wij stellen daarom voor om de kick-off ongeveer 2 uurtjes te laten duren, waarbij we al gelijk het e.e.a. concreet kunnen maken. Is dit voor jullie ook mogelijk? Voor ons zou bijvoorbeeld donderdag 12 april van 14.00 tot 16.00 uur goed uitkomen.

[REDACTED] zal de informatie vandaag nog opsturen, zodat jullie vast een beeld krijgen van de ideeën en wensen.

Graag hoor ik van jullie.

Met vriendelijke groet,

ZE [REDACTED]

Bedankt voor de ppt. Wij kunnen hier best wel veel mee. Er zitten heel veel blokken/pagina's, keuzes.

Mij voorstel is:

1. Als jullie inhoudelijk beslissen wat voor content op de website komt (site map/wireframe), dan kunnen wij samen de blokken kiezen die jullie nodig hebben. Dan ween wij zeker hoeveel werk dat is, en dus onze offerte aanpassen.
2. Gaan jullie de website ook straks inhoudelijk aanpakken (wireframe/site map maken)?

Groeten,

Z

[redacted]

Bijgevoegd de menukaart van de Gemeente website. Aangezien onze website een soort copy gaat worden van de pagina's in het zelfde CMS systeem (GX) moeten we uitgaan van deze menukaart. Wel kunnen we aanpassingen maken in onze eigen huisstijl.

Graag wil ik je vragen om naar mij te sturen wat jullie nodig hebben om tot ontwerpen in onze huisstijl te komen nav deze menukaart. Of is dit voldoende?

Om te starten lijkt me ongeveer 3 templates (grove schetsen) wel voldoende om verder te kunnen.

Dan kan ik dat meenemen naar her volgende overleg.

Als we er financieel uit zijn met de bouwer en intern iedereen op 1 lijn hebben, dan kan het definitieve ontwerp door jullie en de bouw door GX gezamenlijk worden opgepakt. Dit zou bijvoorbeeld in 1 week ingepland kunnen worden waarop we diverse momenten samen komen.

Natuurlijk moeten wij ook afspraken maken over de financiën. Jullie hebben natuurlijk al een inschatting gemaakt in de offerte, maar die moeten we ook nog even bekijken.

Graag hoor ik hoe jij hierover denkt.

Donderdagochtend een afspraak met ZE [REDACTED] over de website.

In de bijlage een soort wireframe die heel handig om de hebben om te beslissen wat voor design Blocks nodig zijn. Design geeft functioneel ondersteuning aan de content en daardoor is het beter om van te voren te weten wat content, hoeveel content op de website komt te staan □□

We hebben natuurlijk al het bestand met alle informatie en wensen, maar we moeten hier nog duidelijker keuzes in gaan maken.

Happy Folk heb ik gevraagd om alvast schetsen te maken van de website nav de menukaart van denhaag.nl. Als jullie hierbij aanwezig kunnen zijn is dat fijn. Geen noodzaak, maar wel handig dus.

2) Partnership programme

Doel: The Hague International Centre Partnerships programme verbindt de internationale met bedrijven die zich richten op internationale dienstverlening.

The Hague International Centre stimuleert en draagt hiermee bij aan een goede, betrouwbare en Engelstalige dienstverlening.

De deelnemende bedrijven voldoen aan de volgende criteria:

- relevante informatie is beschikbaar in het Engels (off en online, klantenservice, formulieren, etc)
- minimaal één jaar ervaring in en met de internationale markt
- gaat akkoord met de samenwerking (conditions) en klanttevredenheidsonderzoek
- heeft een klachtenprocedure voor klanten
- heeft minimaal twee referenties van internationale klanten/ bedrijven
- heeft een kantoor in Nederland

Sectoren: (minimaal 3 per sector/ branche)

Childcare	Community & non-profit = free	Co-working	Employment
Family services	Finance	Health	Housing
Services	Mediapartners = free?	Relocation	Tax
Telecom, Housekeeping, taxi, Horeca, etc)			Transportation Utilities (Laundry, Meer?

Financieel:

Het Partnerships programme opereert budget neutraal (kosten dekkend).

Kosten voor een partnerschap zijn bijvoorbeeld: 1000 euro per jaar (ex BTW)

Er zou ook gekozen kunnen worden voor meerdere pakketten, denk hierbij aan platinum/ gold/ bronze/silver. Dit zal het wel systeem wel onnodig ingewikkeld maken.

Een andere optie zou kunnen wij om twee tarieven te hanteren op grote van het bedrijf.

> 50 werknemers, < 50 werknemers. Ook dit zou ik niet adviseren.

Ik zou willen adviseren om voor één basispakket te kiezen met één vast tarief van bijvoorbeeld 1000 euro per jaar. Daarbij kunnen non-profit organisaties en mediapartners bijvoorbeeld kosteloos partner worden. Voor een uitbereiding van het basispakket kan optioneel gekozen worden.

Basispakket: (1000 euro per jaar (ex BTW)

- Vermelding met naam en logo op website van The Hague International Centre/ eigen pagina op website met inhoudelijke informatie? (aantallen toevoegen)
- Vermelding met naam en logo in welkomstboek van The Hague International Centre(aantallen toevoegen)
- Mogelijkheid tot het plaatsen van een artikel in de nieuwsbrief op inhoud (aantallen toevoegen)
- Uitnodiging voor deelname aan evenementen/ partnership events
- Mogelijkheid om te participeren aan evenementen op relevante informatie per sector/ onderwerp.

Doorverwijzing:

The Hague International Centre en ACCESS (als helpdesk en receptie) zullen direct doorverwijzen

naar de partners van het The Hague International Centre partnerships programme. Uitgangspunt is dat er altijd minimaal drie partners zijn per segment of branche die aan de criteria voldoen. Hierdoor heeft de klant altijd het beste advies en zelf ook nog iets te kiezen.

In het eerste jaar (2019) zal er acquisitie nodig zijn om op te kunnen starten en invulling te geven aan het partnerships programme.

Bruikbare teksten:

The Hague International Centre's Partnership Programme connects international newcomers in The Hague region to service providers operating in the international market. The following is a comprehensive list of the participants of The Hague International Centre's Partnerships Programme. Should you have any comments or feedback on any of the below companies, please contact us. Please note that The Hague International Centre cannot be held liable for any consequences associated with the services provided by the partners.

3) Events

Evenementen zijn nodig om de internationals te informeren over onderwerpen waar ze mee te maken krijgen tijdens de verschillende fases van hun verblijf. De evenementen worden georganiseerd in samenwerking met de partners welke op inhoud invulling geven aan het programma. Deze events zullen moeten plaatsvinden in de avond of in het weekend om de international te interesseren. Het programma is budget neutraal.

The Hague International Centre workshops

In samenwerking met partners en met andere initiatieven in de stad en regio zoals Young The Hague, Humanity Hub, Impact City, The Hague Business, Nuffic, etc.

Met onderwerpen als: Health, finance & banking, educations & careers, Starting your own business, Spousecare, leisure activities, etc

The Hague Culture Club

Het doel van The Hague Culture Club is de verbinding maken tussen de internationals en de regio Den Haag. Door de internationals een interessant (Engelstalig) programma aan te bieden op het gebied van cultuur in de breedste zin raakt hij/ zij verbonden met de stad, de cultuur, de geschiedenis en de inwoners.

Om te beginnen wordt een selecte groep partners aangesloten bij The Hague Culture Club. Samen geven we vorm aan het programma. Denk hierbij aan het residentie orkest, het Mauritshuis, Gemeente museum, maar ook attracties zoals Madurodam en Duinrell komen in aanmerking. De partners moeten aan dezelfde criteria voldoen als de partners van het partnerships programme. -Focusgroep laten meedenken met de invulling van het programma om in behoefte te kunnen voorzien.

Aanvullend moet het evenement ook aan criteria voldoen zoals:

- Engelstalig aanbod en begeleiding

-

Connecting internationals and The Hague culture

Inhoud: Gratis 'lidmaatschap', breed toegankelijk voor Engelstalige bewoners van de regio Den Haag, uitnodiging per evenement voor Haagse culturele evenementen middels een eigen nieuwsbrief en/of social media of website, inclusief iets extra's zoals een kijkje achter de schermen, meet and greet met artiest, drankje, een locatie om verder te netwerken achteraf, andere internationals of locals ontmoeten. De deelnemers kopen een ticket zelf met promotiecode waardoor ze te traceren zijn.
