Subject: Woo request regarding the percentage of expats working for/with the Municipality of The Hague

Dear Sir/Madam,

Pursuant to the Open Government Act (Woo), I request information about the percentage of expats working for or with the Municipality of The Hague, both as employees and freelance consultants. Specifically, I request the following information:

1. The percentage of expats currently employed by the Municipality of The Hague.
2. The percentage of expats working as freelance consultants or on a temporary basis for the Municipality of The Hague.
3. An overview of the positions and/or departments within the municipality where expats are employed.
4. A comparison of these percentages with the national average percentage of expats working in similar roles at other municipal governments.
5. Policy documents and reports providing insight into the reasons and policy objectives behind hiring expats by the Municipality of The Hague.
6. Any plans or strategies the municipality has to increase or decrease the number of expats employed or hired as consultants in the coming years.

I request that this information be provided digitally, if possible.

Thank you in advance for your cooperation.

Sincerely,
